CARMEL PAK U SECONDARY SCHOOL

Programme Plan of
School-based After-school Learning and Support Programmes 2020-2021

Objective

In the past 41 years, our school has been exerting efforts to provide whole-person education to our students catering to their moral, intellectual, physical, social, aesthetic and spiritual development. Specifically in this programme, we wish to achieve the above aim through activities in Orchestra, Chinese Orchestra, Spring Camp, Graduation Camp and Training Camps, together with other enrichment activities. A number of students, including those CSSA and full grant SFA recipients (about 20% of our student body), might have difficulties in paying the fees required and thus missing the benefits from these activities. So this school-based grant would help those students to pay the necessary fees. Half grant recipients will be subsidized with half payment by this grant.
